

This study/project is funded by the National Institute for Health Research (NIHR) Health Technology Assessment (HTA) Programme (project reference 129515). The views expressed are those of the authors and not necessarily those of the NIHR or the Department of Health and Social Care.

Have you experienced liver problems due to your TB treatment?

If YES, you may be able to help us with the TB-DILI trial.

Please speak with a member of staff to find out more.
