

The British Orthopaedic Association (BOA) has identified the need to increase clinical trials research in trauma and orthopaedics in the UK.

Nottingham Clinical Trials Unit (NCTU) has been awarded funding from the BOA to support development of T&O trials.

Clinical Trials: Pathways to Research Funding

Date: 21st January 2022

Time: 9:00-16:30pm

Location: Online

Find out
more
